Plus 8 various Spanish channels

Frequencies correct as of 19th March 2008.

If you are having problems tuning in your T.V. we can tune it in for you at a cost of €10.00. Please note that certain digital T.V.s may fail to auto-tune the region, if you are experiencing difficulties tuning your new T.V. manually set the region to "ES-Spain". Certain cheap T.V. cable extenders may introduce interference into your T.V. signal.
